Program monitoring and evaluation.

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Office of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
 - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
 - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference- ARSD 24:05:20:18.)

State monitoring--Quantifiable indicators and priority areas.

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
 - (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
 - (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference-ARSD 24:05:20:18:02.)
-

State enforcement -- Determinations.

On an annual basis, based on local district performance data, information obtained through monitoring visits, and other information available, the department shall determine whether each school district meets the requirements and purposes of Part B of the IDEA...

Based upon the information obtained through monitoring visits, and any other public information made available, Special Education Programs of the Office of Educational Services and Support determines if the agency, institution, or organization responsible for carrying out special education programs in the state:

- Meets the requirements and purposes of Part B of the Act;

- Needs assistance in implementing the requirements of Part B of the Act'
- Needs intervention in implementing the requirements of Part B of the Act; or
- Needs substantial intervention in implementing the requirements of Part B of the Act. (Reference-ARSD 24:05:20:23.04.)

Deficiency correction procedures.

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference-ARSD 24:05:20:20.)

1. GENERAL SUPERVISION / STATE PERFORMANCE PLAN COMPLIANCE INDICATOR

24:05:16:16. Personnel qualifications. To ensure that all personnel necessary to carry out the purposes of Part B and Part C of the Individuals with Disabilities Education Act are appropriately and adequately prepared and trained, including ensuring that those personnel have the content knowledge and skills to serve children with disabilities, the department shall determine that all personnel providing special education or related services, including related services, paraprofessionals and assistants, early intervention, and early childhood personnel, perform these functions under state-approved or state-recognized certification or licensure or other comparable requirements that apply to the area in which the person is providing special education or related services. The department shall ensure that related services personnel who deliver services in their discipline or profession meet the requirements of this section and have not had certification or licensure requirements waived on an emergency, temporary, or provisional basis.
